HELPING YOU TO HELP OTHERS

**Lend-A-Hand Grant  
Information/Guidelines**

The Adirondack Trust Company Community Fund (ATC Community Fund) awards Lend-A-Hand grants to projects or programs that directly influence the communities we serve in Saratoga, Washington, and Warren counties. Please describe the program for which you are applying for a grant in detail. Clearly demonstrate in concrete terms, the positive impact the project or program will have on the community in which it will be undertaken. Consider this as you submit your request.

The ATC Community Fund supports local charities that have proven their integrity and consistently demonstrate their ability to use funds efficiently. An Independent Advisory Committee will determine which local charities receive grants from the General Fund. Renewed funding depends upon reapplication and evaluation. Visitation to sites may be requested along with additional information.
