The Adirondack Trust Company Community Fund was established in 2009 to build an endowment that acts as a perpetual source of funding for the broad array of nonprofit organizations which improve the quality of life in the community and to assist them in addressing issues of common concern. In 2017, the Community Fund awarded \$52,217 in “Lend-a-Hand” grants to twenty-nine local, nonprofit organizations, supporting programs in such diverse areas as veterans’ outreach, mental health services, youth education and services, homelessness prevention, and the arts. The fund also seeks to foster a community spirit of giving by providing donors with unique and flexible ways to manage charitable donations.

Grant recipients will be announced by the independent advisory committee in December 2018.
